Dear Anthony and Vanessa

### TRIVIA NIGHT

I would like to thank you on behalf of Habitat for Humanity (Tauranga) Limited for your wonderful generosity in donating the Federer cap for auction on our Trivia Evening. Were we able to raise \$1200 through the auction and we wish you to know that this fantastic gesture is much appreciated.

The night itself was a great occasion and was most enjoyable. I am confident that it raised a significant amount of money to assist Habitat in its building programme.

Congratulations on your participation and once again, thank you.

Yours sincerely
