Dear Anthony

Re: Items for Auction for 2008 Charity Dinner

The following items sold at our 2008 Charity Dinner in Palmerston North for the following figures:

- Michael Schumacher signed Cap \$1,100
- Michael Campbell signed US Open Flag \$4,000
- Boat Cruise \$1,500

During our 2009 Charity Dinner you donated a signed David Beckham jersey this sold for

- David Beckham signed Jersey \$1,800

LDNZ is very grateful for all that you have donated to us over the last three years. Putting a function of this nature together requires many hours of work which is quite difficult as we have just two people doing the work. We are not at all sure if we will attempt this again but if we do we will contact you again.

Once again thank you so very much for your support of our very small charity. I do hope you had a fantastic evening.

Kind Regards

Jenny
