Dear Anthony and Vanessa

Re: Tiger Woods Glove for LDNZ Charity Dinner

On behalf of LDNZ I want to thank you for considering our organisation for a contribution of a Tiger Woods Glove for Auction.

It was a pleasure to meet you in Auckland and receive the glove. The glove was sold for \$2,500.

LDNZ raised in excess of \$50,000 which will be put towards an International conference that LDNZ will be hosting in New Zealand in November 2008 and will also go towards the cost of getting our families to the conference.

LDNZ begins the planning for our second dinner in a few weeks, which will take place in Palmertson North in late August.

Once again thank you for supporting our very rare disease group.

Kind Regards

Jenny Noble
