Anthony and Vanessa Ford  
"Not For Me"

Dear Anthony and Vanessa,

Thank you so very much for supporting Parkinsons Auckland by coming on board this year as a sponsor of our charity dinner and auction. It was great to have the Wynton Rufer jersey, it added something really special and was highly sort after. It looked fantastic and I know a lot of people were interested beforehand and this resulted in some fierce bidding. The successful bidder was really delighted and I am sure will treasure it.

The dinner was very successful, we raised \$10,000 more than last year which is a huge boost for us and will enable us give service to the growing number of people with Parkinsons in the greater Auckland area. We also were given an additional \$20,000 from Suburban Newspapers as a one off donation which was over and above the amount raised.

We feel the dinner raises the profile of Parkinsons and our sponsors by association. It is wonderful to know there are people such as yourselves out there doing such a fantastic job.

We do hope you will be able to attend the dinner next year, it would be great to have you there.

Once again we express our gratitude to you and Vanessa and look forward to a continuing association.

Kind Regards

Robyn Galgey
