Dear Anthony,

**Re: An Evening with Emirates Team New Zealand Gala Dinner**

On behalf of Duco we would like to take this opportunity to thank you for your support of Starship Foundation and for donating an item that was auctioned off at the gala dinner.

It is thanks to generous donors such as yourself that we were able to raise nearly \$220,000 dollars for Starship Foundation which is noted as the largest amount raised in the history of the Starship Foundation at any given event.

Duco Events are proud to have been a part of this success, and it would not have been made possible without the generosity of the guests on the evening and key individuals such as yourself.

The feedback from the evening has been overwhelmingly positive and the 'Tiger Woods Signed & Framed Golf Glove' auction lot netted \$1,500 to go towards the total raised on the evening.

Again, we thank you for your part in this fundraising endeavour and look forward to working with you again in the future.

Kind Regards
