Dear Ant & Vanessa

The UpsideDowns Education Trust would like to sincerely thank you for the donations for our "Share the Dream" gala dinner. The Gala Dinner held at the Hyatt Regency was an extremely successful event due largely to the generous support of individuals and/or companies like you.

The items you kindly donated achieved the following results;

| | |
|---------------------|---------|
| Ali Glove | \$4,700 |
| Stainless Steel Art | \$500 |
| Photographic piece | \$1000 |
| Blues Jersey framed | \$300 |
| Blues Shorts | \$61 |

Our MC, Neil Waka and speaker Abigail Knight were excellent. Barbara Kendall delivered a warm and very entertaining speech as well.

The Trust raised a nett of \$50,000 after costs on the night, which far exceeded all our expectations.

The funds will be applied to provide more children with early intervention education, transforming their ability to participate in our community and lead the types of lives that we ourselves take for granted. This has a direct, significant and lasting impact on the children and families that benefit. Your generosity has made this possible and we cannot thank you enough for this.

Because the evening was so successful, we will be holding our Gala Dinner again next year and hope you will be able to offer your support once more. We hope, too, that you will come along.

Thanks once again for your support and kind donation.

Kind regards

Melanie Watson
